MAUREVA Ltd. is a major provider of Revenue Accounting Solutions for Airlines, with more than 13 years expertise in the industry.

MAUREVA provides a complete range of integrated solutions, including EDGAR and MARGO software for Passenger and Cargo Revenue Accounting, which are available as an In-House, Hosted or an Outsourced solution (ISO certified). More than 30 Airlines over the five continents are trusting us today.

MAUREVA also actively participates in industry's leading projects such as SIS and EMD and innovates with its ingenious products, such as Fare 4 Check or our new MISC Billings module (SIS compliant).
